

MINUTES
Regular meeting of Rolling Fields City Commission
December 10, 2009

Those present – Mayor Bill Conway, Commissioners Beth Moffett, Sheila Oliver, Carolyn Wetterer, and Clerk Brenda Conway.

Police Report – No report.

Prior Meeting Minutes – motion moved to approve Nov. '09 minutes by Commissioner Wetterer, 2nd Commissioner Oliver, unanimously approved.

Bauer update – Mayor Conway reported conversation he had with Charles Cash, Metro Director of Planning and Zoning, citing the work the department had done with the Vogue Theater property and suggesting that the department do the same for the Bauer property. Mr. Cash confided that he planned to retire from public service and would not make any commitments.

Mayor Conway also reported that he subsequently met privately with Bill Bardenwerper to see if the stalled Bauer project could be looked at anew. Bill B. reported that Bauer proposal was actually in final stage and a meeting was to be scheduled with Preservation and Metro officials and other interested parties next week for presentation, and that it was too late to consider any changes.

Mayor Conway presented proposed site footprint to Commissioners, noting the proposed primary traffic access next to the Azalea building. Within that context, he said he was trying to persuade Councilman Fleming to reconsider letting the bid for widening the road until all interests had been considered.

New Business – none

Meeting adjourned at 7:10.
